

ARPA COMMITTEE MEETING, TUESDAY JUNE 27, 2023 AT 2:00PM

Present: Joanne Guyette-Worth, Ellen Fox, Bob Best, Denise Daigle

Joanne called the meeting to order at 2:10PM.

The committee approved the minutes of the 6/6 meeting.

The committee discussed additional potential uses for the ARPA funds. Denise stated that quotes are still being worked on for a fence at the water reservoir as well as a gate for the water road. Mike hopes to have this by the next ARPA meeting. The town land has been hayed so Mike will get hold of Shaye Collins to dig test holes for the fire pond ASAP. Denise is still working with Kofile to gather quotes for preserving and digitizing the land records. Next ARPA committee meeting will be on July 11, 2023 at 9:00AM.

Voted to adjourn at 3:35PM.
