

CEMETERY COMMISSION MEETING-WEDNESDAY, MAY 8, 2024 AT 8:00AM

Present: June Sheltra, DeAnn Meunier, Vince and Trish Buttice, Denise Daigle

The cemetery commission discussed potential projects for the 2024 year. The board voted to have the vault and tree at the Route 100 cemetery taken care of as soon as possible. The board would like a sign at the Route 100 cemetery and the Lake Road Cemetery. This is tabled until the vault is out of the way to see what would best fit in that spot. Vince and Trish will meet with Donald Poutre, Jr. to see about repairing some of the fence at the Lake Road Cemetery. June will contact Scott Bianchi about stone cleaning for the 2024 year. The commission would like him to focus on the Lake Road Cemetery as the last time he spent more of his time at the Route 100 cemetery. Flat stones that are beginning to be covered up by grass and moss will be his first focus then continuing with the bigger stones would be next. The commission composed a notice with regard to flowers, decorations, etc. being left at grave sites. They asked Denise to post this in the paper as well as in the stores in town and Denise will also give some copies to Knight Property Management, the grounds keeper for the cemetery.

The commission adjourned their meeting at 9:30AM.
