

REGULAR SELECTBOARD MEETING – THURSDAY, JUNE 4, 2026 AT 5:30 PM

PRESENT: Steve Barrup, Karen Camber, Mike Baraw, Hannah Roberts, Steve Edgerly, Ernest Choquette, Sam Douglas

Steve Barrup called the meeting to order at 5:30pm.

Steve Barrup made a motion to approve the minutes of the May 7, 2026 meeting. Motion passed on a voice vote.

The selectboard signed the resolution regarding water quality in Lake Memphremagog, as adopted in the May 7, 2026 meeting.

The selectboard reviewed the 2026 Local Emergency Management Plan. They noted minor changes regarding the facilities available at the fire station and selectboard membership. Steve Barrup made a motion to approve the LEMP as amended. Motion passed on a voice vote.

Road Commissioners' Report – summer grading and chloriding is in progress. One of the wingwalls on the Searles Rd culvert was repaired. Truck 20 has been derusted and painted. Sand screener was rebuilt. Mike is waiting for quotes from surveyors to begin construction of the Sunrise Dr. turnaround. Paving of Cross Rd and Vance Hill is ongoing.

Water/Sewer/Solar/Recycling Report – sewer inspection is done and went well. Septic tanks are expected to be pumped by August. Indirect discharge permit was renewed. AllEarth has not yet provided a quote for solar panel repairs. NEKWMD has booked a deficit of \$85,170.31 YTD due to lower recycling volume, lower price for recyclables, and increasing operating expenses.

Steve Barrup reviewed the sheriff's report.

There was no new business.

Vote to adjourn 5:56pm.
